MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 400 degrees. Heat a **drizzle of oil** in a medium pot over medium-high heat. Add **beef** and season with **Fry Seasoning, salt, and pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes.

2.

Add **Southwest Spice Blend** and **half the tomato paste** (all for 4 servings) to pot with **beef**. Cook, stirring, until beef is coated and tomato paste is brick red in color, 30–60 seconds. (If you've got some on hand, stir in a pinch of chili flakes from your pantry if desired.)

3.

Add **black beans and their liquid, crushed tomatoes, stock concentrates, and ½ tsp sugar** (1 tsp for 4 servings). Bring to a simmer, then reduce heat to low. Cook, stirring occasionally to prevent any sticking on bottom of pot, until beans are tender, 4–6 minutes. Remove from heat and cover to keep warm until ready to serve. Taste and season with **salt and pepper**.

4.

While chili simmers, remove **biscuits** from package. Place biscuits two inches apart on a baking sheet. Bake until golden brown, 8–11 minutes.

5.

Divide **chili** between bowls. Garnish with a dollop of **sour cream** and sprinkle with **cheese**. Serve with **biscuits** on the side.

*Ground Meat is fully cooked when internal temperature reaches 160°.
