MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Halve, peel, and dice **onion** into ½-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Drain and rinse **beans**.

2.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion, scallion whites, and garlic**; cook, stirring occasionally, until onion begins to soften, 3–4 minutes. Add **Southwest Spice Blend** and **stock concentrate**; season with **salt**. Stir to coat.

3.

Add **beans** and ¼ cup **enchilada sauce** (½ cup for 4 servings) to pan with **onion mixture**; season generously with **salt** and **pepper**. Cook, stirring frequently, until liquid has reduced slightly and mixture is saucy, 3–4 minutes.

4.

Place a small amount of **filling** on **one half of each tortilla**. Roll up tortillas, starting with filled sides, to create **enchiladas**. Place, seam sides down, in an 8-by-8-inch baking dish (9-by-13-inch baking dish for 4 servings).

5.

Pour **remaining enchilada sauce** over **enchiladas** to thoroughly coat. Sprinkle with **cheese**. Bake on top rack until sauce is bubbling and cheese melts, 3–5 minutes. (It's OK if some of the tortillas stick together!)

6.

Top **enchiladas** with **scallion greens**. Serve family style directly from baking dish.

Cheesy Black Bean Enchiladas
