MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Peel and finely chop **garlic**. Dice **tomato** into ½-inch pieces.

2.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **chicken, chopped garlic, ½ tsp salt (1 tsp for 4 servings), and pepper**; cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes.

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water (2 cups for 4 servings)**, then drain.

4.

Add **tomato paste, garlic powder, and 1 TBSP Italian Seasoning (2 TBSP for 4 servings)** to pan with **chicken**; stir to combine. Stir in **diced tomato, stock concentrates, ½ cup milk, and ½ cup reserved pasta cooking water (1 cup milk and 1 cup pasta cooking water for 4)**. Reduce heat to low and cook, stirring occasionally, until sauce has thickened and tomato has softened, 8–10 minutes. Taste and season with **salt and pepper**.

5.

Add **drained pasta** and **1 TBSP butter (2 TBSP for 4 servings)** to pan with **sauce**; toss, adding **splashes of reserved pasta cooking water** as needed, until pasta is thoroughly coated in sauce.

6.

Divide **pasta** between bowls.
