MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to top position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and halve **zucchini** lengthwise; cut crosswise into ½-inch-thick half-moons. Arrange **bacon** in a single layer on a baking sheet. Roast on top rack until crispy, 15–20 minutes. Transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop into bite-size pieces.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve ½ cup **pasta cooking water** (1 cup for 4 servings), then drain.

3.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium-high heat. Add **zucchini**; season with **salt** and **pepper**. Cook, stirring frequently, until browned and tender, 4–7 minutes. Add **garlic powder** and **2 tsp Italian Seasoning** (4 tsp for 4 servings; save the rest for another use); cook, stirring occasionally, until fragrant, 1–2 minutes. (Add a pinch of chili flakes from your pantry here if you like things spicy!) Stir in **cream sauce base**, **stock concentrate**, and ¼ cup milk (½ cup for 4) until combined.

4.

Stir **drained pasta** and **half the bacon** into pan with **sauce** until well combined, adding **splashes of reserved pasta cooking water** as needed.

5.

Divide **pasta** between plates and top with **remaining bacon**.
