MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust racks to middle and top positions and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** on a diagonal into ¼-inch-thick pieces. Trim and quarter **zucchini** lengthwise; slice crosswise into ¼-inch-thick pieces.

2.

Toss **carrots** on a baking sheet with a **drizzle of olive oil**, **half the sesame seeds**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 20–25 minutes. Meanwhile, toss **zucchini** on a separate baking sheet with a **drizzle of olive oil**, **salt**, and **pepper**. Roast on top rack until browned and tender, 15–18 minutes.

3.

While veggies roast, pat **chicken** dry with paper towels; dice into ½-inch pieces. Heat a **drizzle of olive oil** in a large pan over medium-high heat. Add chicken and **remaining sesame seeds**. Season with **salt** and **pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, 5–6 minutes. Stir in **soy sauce**, **stock concentrate**, **half the chili sauce**, and ¼ cup **water** (½ cup for 4 servings). Cook, stirring occasionally, until sauce has slightly reduced, 2–3 minutes.

4.

In a small bowl, combine **remaining chili sauce** and **2 TBSP mayonnaise** (4 TBSP for 4 servings). Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

5.

Divide **chicken**, **sesame carrots**, and **zucchini** between plates in separate sections. Drizzle chicken with **chili mayo**.

**Poultry is fully cooked when internal temperature reaches 165°.*
