MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Slice **celery** very thinly on a diagonal. Trim and discard root end from **lettuce**; separate leaves.

2.

In a medium bowl, combine **carrots**, **celery**, and **dressing**. Toss to coat.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **chicken**; season with **garlic powder**, **salt**, and **pepper**. Cook, breaking up meat into pieces, until chicken is browned and cooked through, 4-6 minutes.

4.

Transfer **chicken** to a second medium bowl. Toss with **Buffalo sauce** until well coated.

5.

Divide **lettuce leaves** between plates; fill with **Buffalo chicken**. Top with as much **slaw** as you like. Serve with any remaining slaw on the side.

*Ground Poultry is fully cooked when internal temperature reaches 165°.
