MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

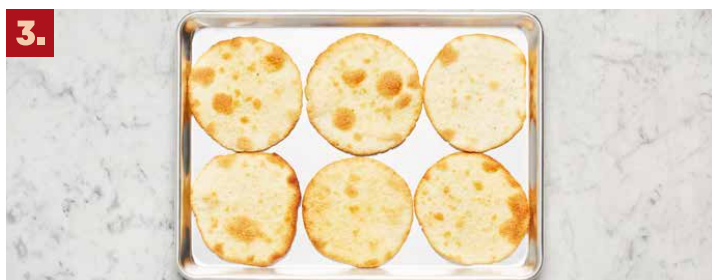

Adjust rack to top position (**top and middle positions for 4 servings**) and preheat oven to 450 degrees. **Wash and dry produce.** Drain **corn**. Zest and quarter **lime**. Finely dice **jalapeño**, removing ribs and seeds for less heat. Halve and thinly slice **onion**.

2.

In a small bowl, combine **corn**, **half the cheese**, **2 TBSP mayonnaise (4 TBSP for 4 servings)**, a **squeeze of lime juice**, a **pinch of lime zest**, and as much **jalapeño** as you like; season with **salt** and **pepper**. Set aside until ready to serve. In a medium microwave-safe bowl, combine **half the sliced onion**, **vinegar**, **3 TBSP water**, **1 tsp sugar**, and a **pinch of salt (6 TBSP water and 2 tsp sugar for 4)**. Cover with plastic wrap and microwave until bright pink and softened, 1–2 minutes. Uncover and set aside.

3.

Drizzle **tortillas** with **1 TBSP oil (2 TBSP for 4 servings)**; brush or rub to coat all over. Arrange on a baking sheet in a single layer (**divide between two sheets for 4; it's OK if they overlap a bit**). Gently prick each tortilla with a fork in a few places. Toast on top rack, flipping halfway through, until lightly golden, 4–5 minutes per side. (**For 4, toast on top and middle racks. Flip tortillas and swap rack positions halfway through baking—watch carefully to avoid burning!**)

4.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **remaining sliced onion** and a **pinch of salt**; cook, stirring occasionally, until lightly browned and slightly softened, 2–3 minutes. Stir in **Mexican Spice Blend**; cook until fragrant, 30 seconds.

5.

Stir in **beans and their liquid**, **stock concentrate**, and **¼ cup water (½ cup for 4 servings)**. Bring to a simmer and cook, stirring occasionally and mashing with a potato masher or the back of a spoon, until mixture is thick and mostly smooth, 4–5 minutes. Season with **salt** and **pepper**. Turn off heat.

6.

Carefully spread **tortillas** with **bean mixture**. Divide **tostadas** between plates and top with **corn esquires**, **pickled onion (draining first)**, and **remaining cheese**. Serve with any **remaining lime wedges** on the side.
