Want the tastiest steak possible? Remove your meat from the fridge about 30 minutes before cooking. Room temp steak = even cooking. Win-win!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 450 degrees. Place **3 TBSP butter** (**6 TBSP for 4 servings**) in a small microwave-safe bowl; bring to room temperature (**you'll use it in Step 3**). **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Halve, peel, and finely chop **shallot** until you have ½ TBSP (**1 TBSP for 4; save the rest for another use**). Trim **green beans** if necessary.

2.

Place **potatoes** in a small pot (**use a medium pot for 4 servings**) with enough **salted water** to **cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Reserve **½ cup potato cooking liquid** (**1 cup for 4**), then drain. Turn off heat. Return potatoes to the pot and mash with **3 TBSP cold butter** (**6 TBSP for 4**) and **sour cream** until smooth and creamy, adding **splashes of reserved potato cooking liquid** as needed (**we used ¼ cup; ½ cup for 4**). Season generously with **salt** and **pepper**. Keep covered off heat until ready to serve.

3.

While potatoes cook, add **chopped shallot**, **half the mustard** (**all for 4 servings**), and a **pinch of salt and pepper** to bowl with **softened butter** (**if butter is still cold, microwave for 5 seconds**); stir to combine. Set aside.

4.

Toss **green beans** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until tender, 10–12 minutes.

5.

Pat **steak** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Top steak with **half the Dijon butter**. Transfer to a cutting board to rest.

6.

Thinly slice **steak** against the grain. Divide steak, **mashed potatoes**, and **green beans** between plates. Top steak with **remaining Dijon butter**.

*Beef is fully cooked when internal temperature reaches 145°.
