MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Slice **bacon** crosswise into ½-inch pieces. Add bacon to a medium dry pot (**large pot for 4 servings**) in a single layer; heat over medium-high heat. Cook, stirring occasionally, until crispy, 6–10 minutes. Turn off heat. Using a slotted spoon, transfer bacon to a paper-towel-lined plate. Carefully discard any excess grease; wash out pot.

2.

While bacon cooks, halve, peel, and finely dice **onion**. Trim and thinly slice **scallions**, separating whites from greens. Dice **potatoes** into ½-inch pieces.

3.

Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in pot used for bacon over medium heat. Add **onion** and **scallion whites**; cook, stirring frequently, until onion is softened but not yet browned, 3–4 minutes. Add **2 TBSP flour** (**4 TBSP for 4**); cook, stirring, until light golden brown, 1–2 minutes. Gradually stir in **2 cups water** and **1 cup milk** (**3½ cups water and 2 cups milk for 4**). Stir in **Tex-Mex paste** and **stock concentrates** until smooth.

4.

Add **potatoes**, **corn and its liquid**, and **half the bacon**; bring to a simmer (**the soup should be gently bubbling**). Cook, stirring occasionally, until potatoes are tender, 12–15 minutes. Taste and season with **salt** and **pepper**.

5.

Divide **chowder** between bowls; top with **cheese**, **scallion greens**, and **remaining bacon**.

**Pork is fully cooked when internal temperature reaches 145°.*
