MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **mushrooms** (skip this step if your mushrooms are pre-sliced!). Halve, core, and thinly slice **bell pepper** into strips. Trim and thinly slice **scallions**, separating whites from greens.

2.

Add **mushrooms** to one side of a baking sheet and **bell pepper** to empty side. Toss both with a **drizzle of oil, salt, and pepper**. Roast on middle rack until veggies are browned and tender, 13–15 minutes.

3.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until al dente, 5–7 minutes. Reserve **½ cup noodle cooking water** (1 cup for 4 servings); drain and set aside.

4.

Meanwhile, in a medium bowl, combine **soy sauce, maple syrup, stock concentrate, sesame seeds, half the sesame oil, and ¼ cup water** (all the sesame oil and ½ cup water for 4 servings).

5.

Heat a **drizzle of oil** in a large pan over medium–high heat. Add **scallion whites**; cook, stirring occasionally, until fragrant, about 1 minute. Stir in **soy mixture** and cook until slightly reduced, about 1 minute more. Remove from heat. Add **drained noodles** and **roasted veggies**; toss to combine. If needed, add **splashes of reserved noodle cooking water** until everything is coated in sauce. Taste and season with **salt and pepper**.

6.

Divide **noodles** between bowls and garnish with **scallion greens**.
