\$20

To quickly prep thyme, hold the stem end with one hand, then gently pinch and strip the leaves down and away with your other hand (like pulling a zipper!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Strip **thyme leaves** from stems until you have 2 tsp (4 tsp for 4 servings). Grate **Parmesan** over a small bowl (skip this step if pre-shredded).

2.

In a small pot, combine **rice**, **1 1/4 cups water** (2 1/4 cups for 4 servings), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

Add **bacon** to a medium dry pan (large pan for 4 servings) in a single layer; heat over medium–high heat. Cook, turning occasionally, until crispy and cooked through, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once bacon is cool enough to handle, roughly chop.

4.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in pan used for bacon over medium–high heat. Add chicken; cook until browned and cooked through, 5–6 minutes per side. Transfer chicken to a plate. Reduce heat under pan to medium; add **2 TBSP butter** (4 TBSP for 4 servings). Once butter has melted, add **mushrooms** and cook, stirring occasionally, until browned and tender, 5–6 minutes. Season with **salt** and **pepper**.

5.

Add **1 TBSP flour** (2 TBSP for 4 servings) to pan with **mushrooms**; cook, stirring, until everything is evenly coated, 30–60 seconds. Gradually stir in **2/3 cup milk** (1 1/3 cups for 4); add **cream sauce base**, **mushroom stock concentrate**, **chicken stock concentrates**, **mustard**, **roasted onion and garlic spread**, and **half the thyme leaves**. Stir to combine. Stir in **sour cream** and **half the Parmesan**. Bring to a simmer. Transfer **chicken** to pan; turn to coat in **sauce**. Simmer until chicken is warmed through, 2–3 minutes. Taste and season with **salt** and **pepper** if desired.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** (2 TBSP for 4 servings). Sprinkle **skillet** with **chopped bacon**, **remaining thyme**, and **remaining Parmesan**. Divide rice between plates; top with **creamy mushroom chicken**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.
