MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim, peel, and cut **carrot** on a diagonal into 1/4-inch-thick pieces. Halve, deseed, and slice **bell pepper** into 1/4-inch-thick strips. Peel and finely chop **garlic**. Roughly chop **cilantro**, including tender stems. Zest and quarter **lime**.

2.

In a small pot, combine **rice**, **1 1/4 cups water** (**2 1/4 cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **carrot** and **bell pepper** and season with **salt**. Cook, stirring occasionally, until beginning to soften, 2–3 minutes.

4.

Meanwhile, rinse **shrimp** under cold water, then pat dry with paper towels. Place in a medium bowl, season with **salt**, and toss with **cornstarch** to coat. Add another **drizzle of oil**, **garlic**, shrimp, and **half the ginger paste** (**all for 4 servings**) to pan with **veggies**. Cook, turning shrimp occasionally, until opaque and cooked through, 3–4 minutes. Add **curry powder** to pan and stir to coat. Reduce heat to low.

5.

Thoroughly shake container of **coconut milk** before opening. Add coconut milk and **1/4 cup water** (**1/2 cup for 4 servings**) to pan with **shrimp**. Cook, stirring, until everything is evenly coated and sauce has thickened slightly, 1–2 minutes. Turn off heat and stir in **juice from half the lime**. Taste and season with more **salt**, if you like.

6.

Add **half the cilantro** and a **pinch of lime zest** to pot with **rice**. Fluff rice with a fork and divide between bowls. Top with **coconut curry shrimp**, then sprinkle with remaining lime zest and remaining cilantro. Serve with remaining **lime wedges** on the side.
