\$20

If you look closely, you'll see that your steak naturally has lines running through it. To ensure maximum tenderness, slice perpendicular to those lines, aka "against the grain" (as you'll do in Step 6).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until tender, 15–18 minutes. Keep covered off heat until ready to use in Step 5. While rice cooks, in a small bowl, combine **steak** and **soy sauce**; season generously with **pepper**. Set aside to marinate.

2.

Meanwhile, **wash and dry produce**. Trim, peel, and dice **carrot** into ¼-inch pieces. Halve, peel, and finely chop **half the onion** (**whole onion for 4 servings**). Peel and finely chop or grate **ginger**. Trim and thinly slice **scallions**, separating whites from greens. In a second small bowl, combine **heat sauce**, **half the sesame oil** (**all for 4**), and **half the vinegar** (**all for 4**). In a third small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4**) with as much **Sriracha** as you like.

3.

Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add **carrot** and **chopped onion**; season with **salt** and **pepper**. Cook, stirring occasionally, until veggies have softened, 4–5 minutes. Add **ginger** and **scallion whites**. Cook, stirring, until fragrant, 30–60 seconds. Stir in **heat sauce mixture**; cook, stirring, until sauce has thickened and everything is coated, 1–2 minutes more. Turn off heat; transfer to a medium bowl. Wipe out pan.

4.

Pat **steak** dry with paper towels to remove excess marinade (**discard marinade**). Heat a **drizzle of oil** in pan used for veggies over medium-high heat. Add steak; cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest. Wipe out pan.

5.

Heat a **drizzle of oil** in pan used for steak over medium-high heat. Fluff **rice** with a fork. Add rice to pan in a single layer; cook, undisturbed, until slightly crispy, 2–3 minutes. Transfer **veggie mixture** back to pan and season with **salt** and **pepper**; stir to combine. Spread veggies and rice out in pan and press down into a single layer; cook, undisturbed, until a bottom crust forms, 1–2 minutes more.

6.

Slice **steak** against the grain. Divide **fried rice** between shallow bowls; top with steak. Drizzle with **Sriracha mayo** and garnish with **scallion greens**.

*Beef is fully cooked when internal temperature reaches 145°.
