MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a small pot of **salted water** to a boil. **Wash and dry produce.** Trim and peel **carrot**; grate on the largest holes of a box grater. Halve, core, and thinly slice **bell pepper** crosswise into strips. Peel and finely chop **garlic**.

2.

Once water is boiling, add **rice cakes** to pot. Cook until softened, 1–2 minutes. Reserve **½ cup rice cake cooking water** (**¾ cup for 4 servings**), then drain.

3.

Heat a **drizzle of oil** in a large pan over medium–high heat. Add **bell pepper** and season with **salt** and **pepper**; cook, stirring occasionally, until softened, 2–3 minutes. Add **carrot**, **coleslaw mix**, and **garlic**; cook, stirring occasionally, until veggies are browned and tender, 2–3 minutes more (**add another drizzle of oil if pan seems dry**).

4.

To pan with **veggies**, add **drained rice cakes**, **umami ginger sauce**, **chili sauce**, and **¼ cup rice cake cooking water** (**½ cup rice cake cooking water for 4 servings**). Cook, stirring frequently, until sauce has thickened (**if sauce seems too thick, add another splash of cooking water**). Taste and season with **salt** and **pepper**. Remove from heat.

5.

Divide **rice cakes and veggies** between plates and serve.
