CHEF'S TIP

In Step 1, you'll finely dice your carrot, celery, and onion to go into a mirepoix (fancy that!). This classic culinary technique involves sautéing the aforementioned trio of veggies to create a savory flavor base for dishes like shepherd's pie—as well as soups, ragùs, and more!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Peel and dice **potatoes** into ½-inch pieces. Peel **garlic**. Finely chop one clove (two cloves for 4 servings). Trim, peel, and finely dice **carrot** (reserve 1 tsp for the "ghost" faces!). Finely dice **celery**. Halve, peel, and finely dice **half the onion** (whole onion for 4).

2.

Place **potatoes** and **whole garlic clove** (two whole cloves for 4 servings) in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender when pierced with a fork, 10–12 minutes. Reserve **½ cup potato cooking liquid**, then drain and return potatoes and garlic to pot. Keep covered off heat until ready to mash.

3.

While potatoes and garlic cook, heat a **drizzle of oil** in a medium pan (use a large pan for 4 servings) over medium-high heat. Add **carrot** and season with **salt** and **pepper**. Cook, stirring, until slightly softened, 2–3 minutes. Add **celery**, **diced onion**, and a **large drizzle of oil**; season with **salt** and **pepper**. Cook, stirring, until veggies are just tender, 5–7 minutes. Stir in **chopped garlic** and **half the dried thyme** (all for 4). Cook, stirring, until fragrant, 30 seconds.

4.

Add **turkey** to pan with **veggies** and season generously with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Stir in **1 TBSP butter** (2 TBSP for 4 servings) until melted, then sprinkle with **2 TBSP flour** (4 TBSP for 4). Cook, stirring, until lightly browned, 2–3 minutes.

5.

Slowly pour **¾ cup plain water** (1½ cups for 4 servings) into pan with **turkey mixture**. Cook, stirring, until thoroughly combined. Stir in **stock concentrates** and season with **salt** and **pepper**. Bring to a simmer and cook, stirring occasionally, until thickened, 2–3 minutes. (If mixture seems too thick, stir in a splash of water.) Meanwhile, mash **potatoes and garlic** with **sour cream** and **3 TBSP butter** (6 TBSP for 4) until smooth, adding **splashes of reserved potato cooking liquid** (or milk, for extra creaminess) as needed (we used ¼ cup; ½ cup for 4). Taste and season with **salt** and **pepper**.

6.

Carefully transfer **mashed potatoes** to a large zip-close bag; snip off one corner to make a hole (about ½ inch wide). Pipe **5–6 potato "ghosts"** atop **filling** (like piping frosting!), spaced about 2 inches apart. (Smooth out any edges using the back of a spoon.) Add **two reserved carrot pieces** to each "ghost" to create "eyes." Using a toothpick or the tip of a knife, create a "mouth" for each "ghost." Serve family style or divide between plates.

**Ground Poultry is fully cooked when internal temperature reaches 165°.*
