CHEF'S TIP

Here's a quick and easy tip for peeling garlic: Place the clove in a cup, cover with your hand, and shake, shake, shake! This will help loosen the peel and make it easier to remove.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. Place **4 TBSP butter** (8 TBSP for 8 servings) in a small bowl to soften. Halve **baguettes** lengthwise, then halve crosswise (you'll have 8 semioval-shaped pieces; 16 pieces for 8).

2.

Wash and dry produce. Trim **green beans** if necessary. Thinly slice 2–3 green beans into ¼-inch pieces to create goblin "eyes"; cut remaining green beans crosswise into 1-inch pieces. Halve, core, and slice **bell pepper** into ½-inch strips. Using a small knife, cut four pepper strips (eight strips for 8 servings) into small triangles to create goblin "teeth." Peel and finely chop **garlic**.

3.

To bowl with **softened butter**, add **half the garlic powder**, **½ tsp Italian Seasoning** (1 tsp for 8 servings), and a **pinch of salt and pepper**; stir to combine. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 8), then drain. Reserve pot for Step 5.

4.

While pasta cooks, spread **garlic-herb butter** onto cut sides of **baguettes**, then sprinkle with **cheese**. Arrange on a baking sheet, cut sides up, and bake on middle rack until cheese melts, 1–2 minutes. Remove from oven; carefully press **green bean goblin "eyes"** and **bell pepper goblin "teeth"** into melted cheese to make goblin faces. Return to middle rack and bake until toasted, 3–5 minutes more.

5.

Once pasta has finished cooking, heat a **drizzle of oil** in pot used for pasta over medium-high heat. Add **sausage**, **bell pepper strips**, **green bean pieces**, **chopped garlic**, **remaining garlic powder**, and **remaining Italian Seasoning**. Cook, stirring occasionally, until veggies are tender and sausage is cooked through, 6–8 minutes.

6.

Add **cream sauce base** and **stock concentrates** to pot; stir to combine. Stir **drained pasta** into **sauce**. If needed, stir in **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce. Taste and season with **salt** and **pepper**. Divide **pasta** between bowls. Serve with **garlic goblin bread** on the side.

**Ground Poultry is fully cooked when internal temperature reaches 165°.*
