CHEF'S TIP

This portable and satiating sandwich was brought to Florida by Cuban immigrants. In it, you'll find melty cheese, pickle, mustard, and pork all nestled inside pillowy white bread. Fun fact: Although the Cubano is typically associated with Miami, it first gained popularity in Tampa!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Halve **baguettes** lengthwise. Halve **cheese slices** (you should have four rectangles; eight rectangles for 4 servings). Slice **pickle** into bite-size rounds if necessary.

2.

Toss **potatoes** on a baking sheet with a **drizzle of oil**, **half the Fry Seasoning** (you'll use the rest later), **salt**, and **pepper**. Roast on middle rack until browned and crispy, 20–25 minutes.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **pulled pork** and **remaining Fry Seasoning**. Cook, breaking up meat with a spoon, until browned and warmed through, 3–4 minutes. Remove pan from heat. Spread cut sides of **baguettes** with **mustard**. Fill with **pork mixture**. Evenly layer with **cheese** and as many **pickle slices** as you like. Close to form **sandwiches**. Wipe out pan.

4.

Heat a **drizzle of oil** in pan used for pulled pork over medium heat. Add **sandwiches** and press down firmly with a heavy-bottomed pan (Cubanos are very flat and crispy, so don't be afraid to use a little muscle!). (For 4 servings, you may need to work in batches.) Cook, pressing down, until bread is toasted and cheese melts, 2–4 minutes per side. Turn off heat; transfer **Cubanos** to a cutting board.

5.

Halve **Cubanos** on a diagonal. Divide Cubanos, **fries**, and any **remaining pickle slices** between plates. If you have some on hand, serve with **ketchup** or **mayonnaise** for dipping.
