CHEF'S TIP

Want to put your own spin on this chili? If you've got some on hand, sprinkle your finished bowls with chopped cilantro, shredded cheese, hot sauce, or crumbled tortilla chips (or all of the above—we support you!).

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 350 degrees. **Wash and dry produce.** Halve, peel, and finely dice **onion**. Peel and finely chop **garlic**. Core, deseed, and dice **green pepper** into ½-inch pieces. Dice **tomato** into ½-inch pieces. Open **black beans**; reserve 10 beans (20 beans for 4) to decorate witch hats in Step 5. Slice **gouda** into ½-inch-thick strips.

2.

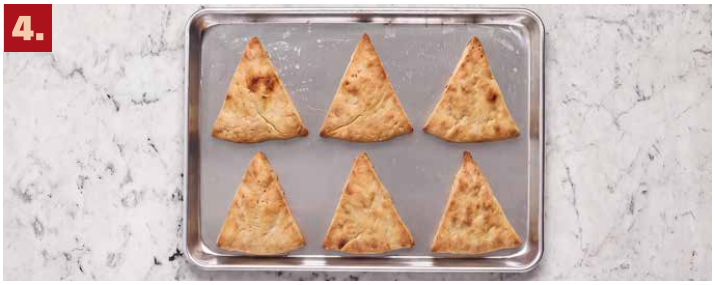

Heat a **drizzle of oil** in a medium pot (large pot for 4 servings) over medium-high heat. Add **onion** and cook, stirring occasionally, until beginning to soften, 1-2 minutes. Add **beef** and cook, breaking up meat into pieces, until browned, 3-4 minutes (it'll finish cooking in the next step). Add **garlic**, **green pepper**, **tomato**, and **Southwest Spice Blend**; stir to combine. Add **Tex-Mex paste** and cook, stirring occasionally, until everything is coated and mixture is slightly darkened, 1-2 minutes.

3.

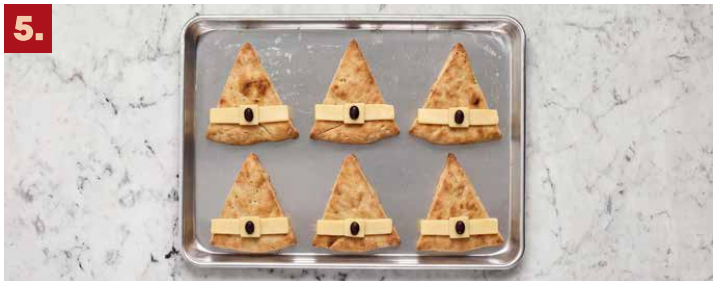

Add **stock concentrates**, **remaining black beans and their liquid**, and **¼ cup water** (½ cup for 4 servings); stir to combine. Bring to a simmer and cook, stirring occasionally, until veggies are softened, mixture has thickened, and beef is cooked through, 12-15 minutes. (If mixture seems too thick, add a splash of water.)

4.

While chili cooks, line a baking sheet (two sheets for 4 servings) with parchment paper. Remove **biscuits** from package; peel apart at the center to create two thinner biscuits. Cut biscuits into triangles and bend the tip over to create the top of the witch hats. (Discard the trimmings, or bake them and enjoy as a snack!) Bake on middle rack until biscuits are puffed and golden, 9-11 minutes (for 4, bake on middle and top racks).

5.

Remove baking sheet from oven. Carefully arrange **gouda strips** just above hat brims to create ribbons. Place **one reserved bean** in center of each gouda strip. Return sheet to middle rack (middle and top racks for 4 servings) and bake until cheese just melts, 30-60 seconds.

6.

Taste **chili** and season with **salt** and **pepper** if desired. Divide chili between "cauldrons" (aka your favorite spooky bowls!) and dollop with **sour cream**. Serve with **witch-hat biscuits** on the side.

**Ground Meat is fully cooked when internal temperature reaches 160°.*
