MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Melt **1 TBSP butter (2 TBSP for 4 servings)** in a small pot over medium-high heat. Add **garlic**; cook until fragrant, 30 seconds. Stir in **rice**, **stock concentrate**, **1 tsp Southwest Spice Blend (you'll use the rest later)**, **¼ tsp turmeric (be sure to measure)**, **1¼ cups water**, and a **pinch of salt**. (For 4, use **2 tsp Southwest Spice**, **½ tsp turmeric**, and **2¼ cups water**.) Bring to a boil, then cover and reduce heat to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

Heat a **large drizzle of oil** in a large pan over medium-high heat. Add **green pepper**, **remaining sliced onion**, and a **pinch of salt**. Cook, stirring occasionally, until veggies are browned and tender, 4–6 minutes.

5.

Fluff **rice** with a fork; stir in **lime zest** and season with **salt** and **pepper**. Divide rice between bowls; top with **chicken and veggies**. Drizzle with **lime crema**. Top with as much **pickled onion (draining first)** as you like, and if you've got some on hand, **hot sauce** from your pantry if desired.

2.

While rice cooks, halve, peel, and thinly slice **half the onion (whole onion for 4 servings)**. Zest and quarter **lime**. Core, deseed, and dice **green pepper** into ½-inch pieces. In a small bowl, combine ¼ of the sliced onion, **juice from half the lime**, **¼ tsp sugar (½ tsp for 4)**, and a **pinch of salt**. Set aside to quick-pickle. In a separate small bowl, combine **sour cream** with a squeeze of lime juice to taste. Stir in **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper**.

4.

Meanwhile, pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Once veggies are tender, add chicken to pan. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Stir in **half the chili powder (all for 4 servings)**, **remaining Southwest Spice Blend**, **1 TBSP butter**, and a **squeeze of lime juice** until coated. Season with **salt** and **pepper**. Remove pan from heat.

↔ Rinse **shrimp** under cold water and pat dry with paper towels. Swap in shrimp or **beef** for chicken; cook, stirring frequently, until shrimp are opaque and cooked through, 3–4 minutes, or until beef is browned and cooked through, 4–5 minutes.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
