We love jalapeños for their fresh kick. If you're looking for a milder spice level, however, remove the ribs and seeds (that's where most of the heat lives) before chopping in Step 1. Our favorite way to do it? Halve the pepper lengthwise, then use a spoon to completely scrape out the middle.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Finely dice **tomato**. Peel and finely chop **onion**. Finely chop **jalapeño**, removing ribs and seeds for less heat. Quarter **lime**. Peel and finely chop **garlic**. Halve, deseed, and thinly slice **green pepper** into strips.

2.

In a small bowl, combine **tomato**, **2 TBSP onion** (4 TBSP for 4 servings), **2 tsp jalapeño** (4 tsp for 4; save the rest for garnish if you like), and a **big squeeze of lime juice**. Taste and season with **salt** and **pepper**.

3.

In a second small bowl, combine **sour cream**, a **pinch of garlic**, and a **squeeze of lime juice**. Taste and season with **salt**, **pepper**, and more lime juice if you like a tangy punch.

4.

Heat a **large drizzle of oil** in a large pan over medium-high heat. Add **green pepper**; cook, stirring, until softened and lightly charred, 5-6 minutes. Stir in **remaining onion** and **remaining garlic**; cook, stirring, until softened, 3-4 minutes. Add **pork** and season with **Southwest Spice Blend**, **salt**, and **pepper**. Cook, breaking up meat into pieces, until pork is browned and cooked through, 4-6 minutes. Turn off heat.

↔ Swap in **turkey** or **beef** for pork.

5.

While pork cooks, wrap **tortillas** in damp paper towels and microwave until warm and pliable, 30 seconds.

6.

Divide **tortillas** between plates and fill with **pork mixture**, **pico de gallo**, and **garlicky sour cream**. Serve with any **remaining lime wedges** on the side. (Sprinkle with remaining jalapeño for an extra kick!)

*Ground Meat is fully cooked when internal temperature reaches 160°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
