You might be wondering why we have you put your oven-ready trays on a baking sheet in Step 2. Good question! The baking sheet is there to catch anything that bubbles over from your tray while it cooks—plus, it makes moving the tray to and from the oven a breeze!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position (**middle and top positions for 4 servings**) and preheat oven to 425 degrees. Place **2 TBSP butter (4 TBSP for 4)** in a small microwave-safe bowl; set aside to soften. Halve and toast **ciabatta**. Wash and dry produce. Trim **green beans** if necessary. Pick **parsley leaves** from stems and tear into pieces. Quarter **lemon**.

2.

Toss **green beans** and **almonds** in **one oven-ready tray** with a **drizzle of olive oil, salt, and pepper (divide between two trays for 4 servings, using a drizzle of olive oil per tray)**. Place tray on one side of a baking sheet (**for 4, place two trays side by side on same sheet**). Roast on middle rack (**be sure your oven has preheated!**) until green beans are browned and tender, 18–20 minutes.

3.

Meanwhile, rinse **shrimp** under cold water, then pat dry with paper towels. Place in **remaining oven-ready tray**; toss with a **drizzle of olive oil, paprika, 1 tsp Italian Seasoning, salt, and pepper (for 4 servings, divide between two remaining trays, using a drizzle of olive oil and 1 tsp Italian Seasoning per tray)**. Carefully place tray with shrimp on opposite side of sheet from tray with green beans. Roast on middle rack until shrimp are opaque and cooked through, 12–15 minutes. (**For 4, leave green beans roasting on middle rack; place trays with shrimp side by side on a second baking sheet and roast on top rack.**)

4.

While shrimp and green beans roast, add **garlic powder, ½ tsp Italian Seasoning (1 tsp for 4 servings), salt, and pepper** to bowl with **softened butter**. (**If butter has not yet softened, microwave in 10 second intervals until softened but not melted before adding seasonings.**) Stir to combine. Spread **garlic herb butter** on cut sides of **toasted ciabatta**; halve on a diagonal.

5.

Toss **shrimp** with **parsley** and a **big squeeze of lemon juice**. Divide shrimp, **green beans**, and **garlic herb bread** between plates. Serve with **remaining lemon wedges** on the side.

**Shellfish is fully cooked when internal temperature reaches 145°.*
