Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

Keep 'em apart! If you have leftovers, store all the components separately so the pita doesn't get soggy from the juicy chicken or fresh salad.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and quarter **cucumber** lengthwise; cut crosswise into ¼-inch-thick pieces. Dice **tomato** into ¼-inch pieces. Trim and thinly slice **scallions**.

2.

Open package of **chicken** and drain off any excess liquid; season all over with **garlic powder**, **half the oregano**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken; cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

Rinse **shrimp** under cold water and pat dry with paper towels. Swap in shrimp or **beef** for chicken; cook, stirring frequently, until cooked through, 3–4 minutes for shrimp or 4–5 minutes for beef.

3.

Wrap **pitas** in damp paper towels and microwave until warm and pliable, 30–60 seconds. Halve pitas; gently pull apart to create pockets.

4.

Meanwhile, add **cucumber**, **tomato**, **scallions**, **cheese**, and **remaining oregano** to a medium bowl; drizzle with **vinaigrette**, then toss to combine.

5.

Fill **pita pockets** with **chicken** and as much **salad** as you like. Divide pita pockets between plates and serve with any remaining salad on the side.

Fill **pita pockets** with **shrimp** or **beef**.
