MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a small pot of **water** to a boil. **Wash and dry produce.** Cut **ciabatta** into ½-inch pieces. Peel and finely chop **garlic**. Dice **tomato** into ½-inch pieces.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop. Wipe out pan.

Use pan used for chicken here.

5.

In a large bowl, whisk together **dressing**, **mustard**, and 2 TBSP **mayonnaise** (4 TBSP for 4 servings). Add **spinach**, **tomato**, and **bacon**; toss to combine. Season with **salt** and **pepper** to taste. Divide **salad** between plates. Top with **croutons** and **quartered eggs**.

Add **chicken** along with **spinach**, **tomato**, and **bacon**.

2.

Once water is boiling, add **two eggs** (four eggs for 4 servings) and reduce to a low simmer. Cook for 11 minutes (**set that timer!**), then drain and cover with cold water. Once cool enough to handle, peel and quarter eggs lengthwise; season with **salt** and **pepper**.

4.

Melt 3 TBSP **butter** (6 TBSP for 4 servings) in pan used for bacon over medium heat. Add **ciabatta pieces** and cook, stirring frequently, until golden brown and toasted, 3–5 minutes (**reduce heat under pan if croutons are browning too quickly**). Add **garlic** and another 1 TBSP **butter** (2 TBSP for 4); cook, stirring, until fragrant, 30–60 seconds more. Season generously with **salt**. Turn off heat; transfer **croutons** to a plate.

*Pork is fully cooked when internal temperature reaches 145°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

*Poultry is fully cooked when internal temperature reaches 165°.
