MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Grate **Parmesan** over a small bowl (skip this step if pre-shredded). Finely dice **tomato**. Quarter **lemon**. Arrange **bacon** in a single layer in a large dry pan over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer to a paper-towel-lined plate. Wipe out pan. When cool enough to handle, roughly chop.

2.

Meanwhile, place $\frac{1}{4}$ cup **flour** ($\frac{1}{2}$ cup for 4 servings) in a shallow dish. Crack **one egg** in a separate shallow dish; add **2 TBSP water** and whisk to blend (two eggs and 4 TBSP water for 4). In a third shallow dish, combine **panko** with **half the Parmesan**. Season generously with **salt** and **pepper**. Pat **chicken** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or rolling pin until about $\frac{1}{3}$ inch thick. Season all over with **salt** and **pepper**.

3.

Working one piece at a time, press **chicken** into **flour** until fully coated. Shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press into **seasoned panko** until fully coated. (For less mess, use tongs to dip and transfer!) Heat a $\frac{1}{4}$ -inch layer of oil in pan used for bacon over medium-high heat.

4.

Once oil is hot enough that a pinch of seasoned panko sizzles when added to the pan, add **coated chicken**. Cook until golden brown and cooked through, 3–4 minutes per side. Transfer to a paper-towel-lined plate. Season with **salt** and **pepper**.

5.

Meanwhile, in a second small bowl, toss **tomato** with **half the balsamic glaze**, a drizzle of olive oil, salt, and pepper. In a large bowl, toss **arugula** with **bacon**, a drizzle of olive oil, a squeeze of lemon juice, salt, and pepper.

6.

Halve **burrata**. Divide **chicken** and **salad** between plates. Top chicken with **burrata**, **balsamic tomato**, **remaining balsamic glaze**, and a drizzle of olive oil; lightly season with **salt** and **pepper**. Top salad with **croutons** and **remaining Parmesan**. Serve with **remaining lemon wedges** on the side.

*Pork is fully cooked when internal temperature reaches 145°.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
