HEYDAY CANNING CO.

HEYDAY

DINNER'S ALMOST READY!

These chickpeas are zhuzhed up with harissa paste, a big squeeze of lemon, and a blend of toasty spices to create a sauce that's warm and smoky with a just-right citrusy zip.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion**. Dice **tomato** into ½-inch pieces. Peel and finely chop **garlic**. Quarter **lemon**. Finely chop **cilantro**, including tender stems.

2.

Heat a **drizzle of oil** in a medium pot over medium heat. Add **onion** and a **pinch of salt and pepper**. Cook, stirring occasionally, until softened, 4–6 minutes. Stir in **tomato**, **stock concentrate**, **Heyday Harissa Lemon Chickpeas and their liquid**, and **1½ cups water (2½ cups for 4 servings)**. Season with **salt and pepper**.

3.

Bring **stew** to a boil, then reduce heat to a low simmer. Cook, stirring occasionally, until slightly reduced, 8–10 minutes. While stew simmers, in a small microwave-safe bowl, combine **garlic**, **1 TBSP butter (2 TBSP for 4 servings)**, a **pinch of salt**, and **pepper**. Microwave until butter melts, 30–60 seconds. Toast **pitas** until golden; brush with **garlic butter**.

4.

Once stew has reduced slightly, turn off heat. Add **spinach** and a **squeeze of lemon juice**; stir until spinach has wilted. Taste and season with **salt and pepper**.

5.

Quarter **pitas**; top with **half the cilantro**. Divide **stew** between bowls; dollop with **sour cream** and top with **feta** and **remaining cilantro**. Serve with **pitas** and **remaining lemon wedges** on the side.

Enjoy this deeply flavorful Heyday favorite in your meal!
