If you accidentally get a little piece of shell in your cracked egg in Step 4, use one of the broken halves of your eggshell to scoop it up—the jagged edge will cut right through the viscous white.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (top and middle positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Dice potatoes and sweet potato into ½-inch pieces (peel sweet potato first for a smoother texture, if you like). Core, deseed, and dice green pepper and bell pepper into ¾-inch pieces. Halve, peel, and dice onion into ¾-inch pieces.

2.

Toss potatoes and sweet potato on a baking sheet with a drizzle of oil, Southwest Spice Blend, salt, and pepper. Roast on middle rack for 15 minutes (you'll add more to the sheet in the next step).

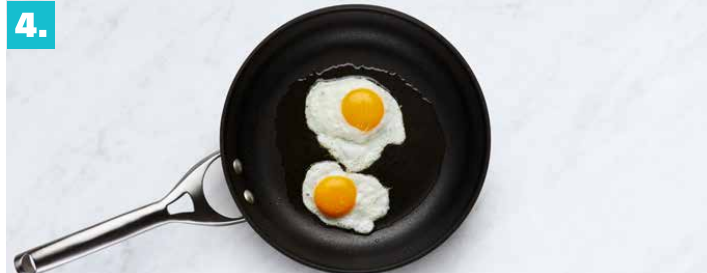

3.

Once potatoes have roasted 15 minutes, remove sheet from oven. Carefully push potatoes to one side of sheet. On opposite side of sheet, toss green pepper, bell pepper, and onion with a drizzle of oil, garlic powder, salt, and pepper. Return to oven and roast until veggies are browned and tender, 15–18 minutes. (For 4 servings, leave potatoes roasting; toss veggies on a second sheet and roast on top rack.)

➡ Add bacon to a medium dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

4.

When veggies have a few minutes left, heat a drizzle of oil in a large pan over medium heat. Once hot, crack eggs into pan and cover. (For 4 servings, you may want to cook eggs in batches.) Fry eggs to preference. Season with salt and pepper.

5.

Once veggies are done, remove sheet from oven and carefully push everything together into one pile (we like using a spatula for the job!). Sprinkle evenly with Mexican cheese blend and Monterey Jack; return to oven until cheese melts, 2–3 minutes more. Divide hash between plates. Top with fried eggs and dollop with sour cream. (Like things spicy? Instead of dolloping sour cream, mix it in a small bowl with a dash of hot sauce from your pantry. Add water 1 tsp at a time until mixture reaches a drizzling consistency. Drizzle over hash.)

➡ Sprinkle bacon over veggies before adding cheese.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
*Pork is fully cooked when internal temperature reaches 145°.
