Sausage Mix** 🍖
(9 oz | 18 oz)
Calories: 950

WHAT YOU'LL NEED

**Kosher Salt
Black Pepper**

Cooking Oil

Milk
Contains: Milk

Flour
Contains: Wheat

Butter
Contains: Milk

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

How do you know if your pasta water is salty enough? Taste it! (We're serious.) Because your cooking water is the only chance you have to season the pasta itself, it's super important to treat it like you would any other ingredient. The water should taste about as salty as the ocean!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and halve **zucchini** lengthwise; cut crosswise into ½-inch-thick half-moons. Halve, core, and thinly slice **bell pepper** into strips. Peel and finely chop **garlic**.

↔ Open package of **chicken** and drain any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or **sausage**; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **zucchini**, **bell pepper**, and **garlic**; season with **salt** and **pepper**. Cook, stirring occasionally, until veggies are browned and tender, 4–7 minutes.

↔ Use pan used for chicken or sausage here.

4.

To pan with **veggies**, add **Italian Seasoning**, **garlic powder**, **1 TBSP butter**, and **2 tsp flour** (for 4 servings, use 2 TBSP butter and 4 tsp flour). Cook, stirring, until butter has melted and veggies are evenly coated, 1–2 minutes. Reduce heat to medium, then add **cream sauce base**, ¼ cup milk (½ cup for 4), **salt**, and **pepper**. Cook, stirring, until sauce has slightly thickened, 1–2 minutes more. (If you like things spicy, add a pinch of chili flakes from your pantry here!)

5.

Add **drained pasta**, **peas**, and **half the cheese** to pan with **creamy veggie sauce**; cook, stirring, until everything is coated in sauce and peas are warmed through. (If needed, stir in reserved pasta cooking water a splash at a time until everything is coated in a creamy sauce.) Taste and season with **salt** if desired.

↔ Add **chicken** or **sausage** to pan along with **drained pasta**.

6.

Divide **pasta** between bowls and top with **remaining cheese**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
