MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Core, deseed, and dice **green pepper** into ½-inch pieces. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Dice **tomato**. Drain **beans** over a small bowl, reserving **liquid**.

2.

Heat a **large drizzle of oil** in a large pot over medium-high heat. Add **onion, green pepper, and scallion whites**. Cook, stirring, until softened, 4–5 minutes. Stir in **garlic** and **Southwest Spice Blend**; cook until fragrant, 30 seconds.

Add **beef or turkey** to pot along with **veggies**; cook, stirring and breaking up meat into pieces, until veggies are softened and beef or turkey is cooked through, 4–6 minutes. Cook through the rest of this step as instructed.

3.

Stir diced tomato, tomato paste, and **¾ of the Tex-Mex paste** (use all the Tex-Mex paste if you like things spicy!) into pot until slightly darkened in color, 1 minute.

4.

Stir beans, stock concentrate, **1¾ cups water**, and **¼ cup reserved bean liquid** (3 cups water and ½ cup reserved bean liquid for 4 servings) into pot. Bring to a boil and cook, stirring occasionally, until thickened, 5–8 minutes. (Psst—stew thickness is a personal choice! If you want yours thicker or thinner, simmer for a little more or a little less time. After all, you're the chef.) Turn off heat. Taste and season with **salt** and **pepper**.

5.

Divide **stew** between bowls and top with **cheese, sour cream, and scallion greens**.
