MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop **garlic**. Trim and dice **cucumber** into ¼-inch pieces. Dice **tomato** into ¼-inch pieces.

2.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a medium pot over medium-high heat. Add **half the garlic**; cook, stirring, until fragrant, 30 seconds. Add **couscous** and **half the stock concentrates**; stir to coat. Stir in **¾ cup water** (**1½ cups for 4**) and a **large pinch of salt and pepper**. Bring to a boil, then cover and reduce to a low simmer. Cook until couscous is tender, 6–8 minutes. Drain any excess water if necessary. Let cool, uncovered, for at least 5 minutes.

3.

While couscous cooks, pat **pork** dry with paper towels and season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. Turn off heat; transfer to a cutting board. Wipe out pan.

↔ Swap in **chicken** or **bavette steak** for pork; cook chicken until browned and cooked through, 5–6 minutes per side, or cook **steak** to desired doneness, 3–5 minutes per side.

4.

While pork cooks, in a medium bowl, combine **cucumber**, **tomato**, and **1 TBSP vinaigrette** (**2 TBSP for 4 servings**); season with **salt and pepper**. Fluff **cooled couscous** with a fork and stir into bowl with cucumber mixture.

5.

Heat a **drizzle of oil** in pan used for pork over medium heat. Add **remaining garlic** and cook, stirring, until fragrant, 30 seconds. Stir in **remaining stock concentrate** and **2 TBSP water** (**4 TBSP for 4 servings**) until combined, 30 seconds more. Transfer mixture to a second medium bowl. Add **sour cream** and **remaining vinaigrette**; whisk until well combined. Taste and season with **salt and pepper** if desired.

↔ Use pan used for chicken or steak here.

6.

Once **pork** is cool enough to handle, thinly slice crosswise. Divide pork and **couscous salad** between plates. Spoon as much **Greek sauce** over pork as you like; serve with any remaining sauce on the side for dipping.

↔ Thinly slice **chicken** or **steak** crosswise.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
