MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **sweet potato** into ½-inch pieces; toss on a baking sheet with a **drizzle of oil** and a **pinch of salt and pepper**. Roast on middle rack until browned and tender, 16–18 minutes; let cool for 5 minutes.

Pat **chicken** or **steak** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Cook chicken until browned and cooked through, 5–6 minutes per side, or cook steak to desired doneness, 3–5 minutes per side. Transfer to a cutting board. Once cool enough to handle, thinly slice against the grain.

2.

While sweet potato roasts, in a small bowl, combine **cranberries** and **2 TBSP hot water** (**4 TBSP for 4 servings**); stir and set aside. Halve, core, and dice **apple** into ¼-inch pieces. Halve, peel, and thinly slice **shallot**.

3.

In a large bowl, whisk together **sour cream**, **dressing**, and **1 tsp water** (**2 tsp for 4 servings**).

4.

Drain **cranberries**. Add **sweet potato**, **spinach**, **apple**, drained cranberries, **half the cheese**, **half the crispy fried onions**, and as much **shallot** as you like to bowl with **dressing**. Toss to combine. Taste and season with **salt** and **pepper**.

5.

Divide **salad** between bowls; top with **remaining cheese** and **remaining crispy fried onions**.

Top **salad** with **sliced chicken** or **sliced steak**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
