Splash a little cold water on your hands before shaping the meatloaves in Step 2. The heat in your hands is what causes a mixture to stick; cooling them down will make the beef hold to itself rather than to you. And remember to use a light touch—this helps ensure the meat won't toughen up when cooked.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

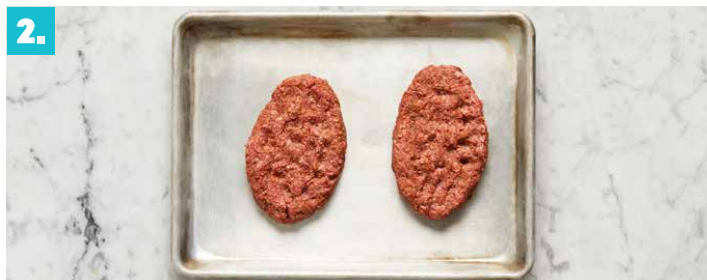

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. Place **2 TBSP butter** (4 TBSP for 4 servings) in a small microwave-safe bowl; set aside to soften. In a separate small bowl, combine **garlic powder**, **half the special sauce** (you'll use the rest later), and **1 TBSP ketchup** (2 TBSP for 4).

Adjust racks to top, middle, and bottom positions.

2.

In a medium bowl, combine **panko** and **2 TBSP milk** (4 TBSP for 4 servings) until a paste forms. Add **beef**, **¾ tsp salt** (1½ tsp for 4), and **pepper**. Form **beef mixture** into two 1-inch-tall loaves (four loaves for 4). Place **meatloaves** on a baking sheet and brush tops with **garlic special sauce**. Roast on middle rack until cooked through, 18–20 minutes.

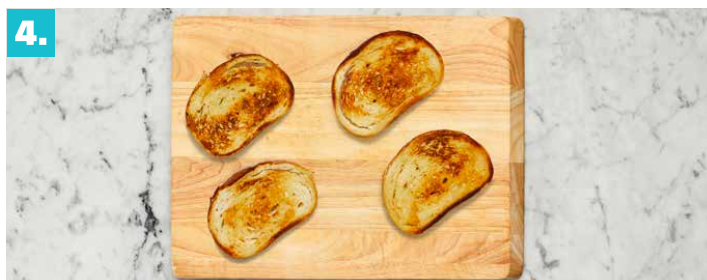

Arrange **bacon** in a single layer on a second baking sheet. Roast on bottom rack until crispy, 15–20 minutes.

3.

While meatloaves cook, **wash and dry produce**. Trim, peel, and grate **carrot** over a medium bowl on the largest holes of a box grater. Add **coleslaw mix**, **mustard**, and **2 TBSP mayonnaise** (4 TBSP for 4 servings) to grated carrot; mix to combine. Taste and season with **salt** and **pepper**.

4.

Spread one side of **bread slices** with **softened butter**. Transfer bread, buttered sides up, to a second baking sheet. Toast on top rack until browned and toasted, 3–4 minutes.

Use a third baking sheet here.

5.

Carefully spread **remaining special sauce** over buttered sides of **toasted bread**; top with as much **slaw** as you like. Slice each **meatloaf** crosswise into four slices; fan out over slaw. Close to form **sandwiches**; cut in half. Divide sandwiches between plates and serve with any remaining slaw on the side.

Divide **bacon** between **sandwiches**.
