You may notice that we almost always ask you to reserve a bit of pasta cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good pasta great, and we'll never leave you with a bowlful of just good.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim **zucchini**; grate on the largest holes of a box grater. Place in the center of a clean kitchen towel. Gather into a tight bundle and squeeze over the sink to remove as much liquid as possible. (Alternatively, place zucchini in a fine-mesh sieve and press down with a spatula.) Halve, peel, and thinly slice **shallot**. Peel and finely chop **garlic**. Zest and quarter **lemon**. Pick **parsley leaves** from stems; finely chop leaves. Grate **Parmesan** (skip this step if pre-shredded).

➡ Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

3.

Heat **2 TBSP olive oil** (4 TBSP for 4 servings) in pan used for chicken over medium heat. Add **grated zucchini, shallot, garlic,** and **½ tsp salt** (1 tsp for 4). If you like things spicy, add a **pinch of chili flakes** from your pantry if desired. Cook, stirring occasionally, until zucchini is caramelized and mixture is jammy and thickened, 15–18 minutes. (If zucchini begins to brown too quickly, add a splash or two of water.)

5.

Add **cream cheese, veggie bouillon, half the Italian Seasoning** (all for 4 servings), **½ cup reserved pasta cooking water** (¾ cup for 4), a **big squeeze of lemon juice,** and a **pinch of lemon zest** to pan with **zucchini mixture**; whisk to combine. Bring to a simmer and cook, stirring, until smooth, 1–2 minutes. Turn off heat.

2.

Pat **chicken** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side (reduce heat if chicken begins to brown too quickly). Turn off heat; transfer chicken to a cutting board to rest. Wipe out pan.

↔ Use pan used for bacon here.

4.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water** (2 cups for 4 servings), then drain.

6.

Add **drained pasta, half the Parmesan, half the parsley,** and **2 TBSP butter** to pan. Season with **salt** and **pepper**. Stir in remaining **lemon zest** if desired. (If mixture doesn't fit in your pan, transfer everything to empty pasta pot.) If needed, add more **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce. Slice chicken **crosswise**. Divide **pasta** between bowls; top with chicken, remaining **Parmesan,** and remaining **parsley**. Sprinkle with more **chili flakes** from your pantry if desired. Serve with **remaining lemon wedges** on the side.

↔ Top **pasta** with **bacon** along with remaining **Parmesan** and remaining **parsley**.
