When coating your chicken, we highly recommend using one hand for dipping into the egg and the other for coating in the flour. This will prevent dreaded breaded fingertips (THE HORROR!) and make the whole process a lot less messy.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Trim and thinly slice **cucumber** into rounds. Halve **buns**. Toss potatoes on a baking sheet with a **drizzle of oil**, **half the Fry Seasoning** (you'll use the rest later), **salt**, and **pepper**. Roast on middle rack until browned and tender, 20–25 minutes.

Adjust racks to top and middle positions. Arrange **bacon** on a separate baking sheet; roast on top rack until crispy, 15–20 minutes. Transfer to a paper-towel-lined plate.

3.

Pat **chicken** dry with paper towels; place between two large pieces of plastic wrap. Pound with a mallet or rolling pin until chicken is about ⅓ inch thick; season with **salt** and **pepper**. In a shallow dish, combine **cornstarch**, **remaining Fry Seasoning**, and **¾ cup flour** (1½ cups for 4 servings). In a separate shallow dish, crack **one egg** (two eggs for 4); beat with **2 TBSP water** (4 TBSP for 4) until smooth. Season both dishes generously with **salt** and **pepper**.

5.

Heat a ½-inch layer of oil in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken** (for 4 servings, work in batches). Cook until golden brown and cooked through, 3–5 minutes per side. (If chicken begins to brown too quickly, lower that heat!) Transfer to a paper-towel-lined plate; immediately season with **salt**.

2.

In a small microwave-safe bowl, combine **cucumber**, **vinegar**, **2 TBSP water**, **1 tsp sugar**, and a **pinch of salt** (4 TBSP water and 2 tsp sugar for 4 servings). Microwave until cucumber is dark green (like pickles from a jar!), 1–2 minutes. Reserve **1 tsp pickling liquid** in a separate small bowl. Set **pickles** aside to cool. To bowl with reserved pickling liquid, add **mustard**, **2 TBSP ketchup**, **2 TBSP mayonnaise**, and **½ tsp sugar** (4 TBSP ketchup, 4 TBSP mayonnaise, and 1 tsp sugar for 4); stir to combine.

4.

Working one piece at a time, press **chicken** into **seasoned flour** until fully coated. Shake off excess, then dip both sides into **beaten egg**. Let excess egg drip off, then press into seasoned flour again until fully coated. (For less mess, use tongs to dip and transfer! Discard any excess flour and egg after coating.)

6.

Place **buns**, cut sides up, directly on middle rack. Toast until buns are golden brown, 2–3 minutes. Divide buns and **roasted potatoes** between plates. Spread cut sides of buns with **half the special sauce**. Fill with **chicken** and top with as many **pickles** (draining first) as you like. Serve any remaining special sauce and any remaining pickles on the side.

Fill buns with **bacon** along with **chicken** and **pickles**.
