**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 450 degrees. Bring a large pot of salted water to a boil. Wash and dry produce. Trim and halve zucchini lengthwise; cut crosswise into 3/4-inch-thick half-moons. Core, deseed, and dice bell pepper into 1/2-inch pieces. Cut tomato into 1/2-inch-thick wedges.

3.

Meanwhile, peel and finely chop garlic. Trim and thinly slice scallions, separating whites from greens. Zest and quarter lemon. Halve grilling cheese lengthwise, then slice crosswise into 1/4-inch pieces. Once water is boiling, add pasta to pot; cook, stirring occasionally, until al dente, 9–11 minutes. Reserve 1/2 cup pasta cooking water, then drain and set aside. (Keep empty pot handy for the next step.)

Open package of chicken and drain off any excess liquid or rinse shrimp under cold water and pat dry with paper towels; season with salt and pepper. Heat a drizzle of oil in a large pan over medium-high heat. Add chicken or shrimp; cook, stirring occasionally, until cooked through, 4–6 minutes for chicken or 3–4 minutes for shrimp. Turn off heat; transfer to a plate. Wipe out pan.

5.

Stir 1/3 cup plain water (1/2 cup for 4 servings) into pot until combined, then add half the Parmesan (save the rest for serving) and lemon zest to taste. Stir in drained pasta, roasted veggies, and splashes of reserved pasta cooking water as needed until everything is coated in a creamy sauce. Stir in a squeeze of lemon juice and season with salt and pepper.

Stir in chicken or shrimp along with drained pasta.

\*Poultry is fully cooked when internal temperature reaches 165°.  
\*Shellfish is fully cooked when internal temperature reaches 145°.

2.

Toss zucchini, bell pepper, and tomato on a baking sheet with a large drizzle of olive oil, 1 tsp Tuscan Heat Spice (2 tsp Tuscan Heat Spice for 4 servings; you'll use the rest later), salt, and pepper. (For 4, divide veggies between two sheets; roast on middle and top racks.) Roast on middle rack until browned and tender, 20–25 minutes.

4.

Season grilling cheese all over with 1 tsp Tuscan Heat Spice (2 tsp for 4 servings). Heat a drizzle of oil in a large pan over medium-high heat; add grilling cheese and cook until browned, 1–2 minutes per side. Remove from heat; transfer to a plate. Heat pot used for pasta over medium-high heat. Add 2 TBSP butter (4 TBSP for 4), garlic, and scallion whites; cook, stirring, until softened, 1 minute. Stir in cream cheese and remaining Tuscan Heat Spice. Season with salt and pepper.

Use pan used for chicken or shrimp here.

6.

Divide pasta between bowls. Top with grilling cheese, scallion greens, and remaining Parmesan. Serve with remaining lemon wedges on the side.
