MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Trim and thinly slice **scallions**, separating whites from greens. Dice **tomato**. Drain **beans**, reserving **liquid**.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a medium pot over medium-high heat. Add chicken or **sausage**; season with **salt** and **pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a bowl. Wipe out pot.

2.

Heat a **drizzle of oil** in a medium pot over medium heat. Add **onion**, **scallion whites**, **half the garlic powder**, and a **pinch of salt**. Cook, stirring occasionally, until softened, 6–8 minutes. Add **tomato paste**; cook, stirring, until lightly browned, 1–2 minutes. Stir in **diced tomato**, **Italian Seasoning**, **stock concentrates**, **reserved bean liquid**, and **half the beans** (you'll add the rest later). Season generously with **salt** and **pepper**.

Use pot used for chicken or sausage here.

3.

Stir **1 cup water** (2 cups for 4 servings) into pot with **bean mixture**; bring to a boil, then reduce heat to low. Cook, stirring occasionally, until slightly reduced, 8–10 minutes. Season with $\frac{3}{4}$ **tsp salt** (1½ **tsp** for 4).

4.

While stew cooks, combine **1 TBSP butter** (2 **TBSP** for 4 servings) and **remaining garlic powder** in a small microwave-safe bowl. Microwave until butter is softened, 15–30 seconds. Season with **salt** and **pepper**; stir to combine. Toast **bread**, then spread cut sides with **garlic butter**. Halve **toasts** on a diagonal to create triangles.

5.

Stir **half the cheese** and **remaining beans** into **stew**. Season with **salt** and **pepper** to taste. (If stew is too thick, add a splash of water.) Divide stew between bowls and top with remaining cheese and **scallion greens**. Serve **garlic toasts** on the side.

Stir **chicken** or **sausage** into **stew** along with **cheese** and **beans**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
