MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Pat **steak** dry with paper towels. In a large bowl, combine **hoisin** and **soy sauce**; season with **pepper**. Add steak to bowl and turn to coat; set aside to marinate for 20 minutes (you'll use it in Step 5).

2.

Meanwhile, **wash and dry produce**. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Trim and peel **carrots**. Using a peeler, shave carrots lengthwise into ribbons, rotating as you go, until you get to the core; discard core. Trim **cucumber**. Using a peeler, shave cucumber lengthwise into ribbons, rotating as you go, until you get to the seedy core; discard core. Zest and quarter **lime**.

3.

Heat a **drizzle of oil** in a small pot over medium heat. Add **scallion whites** and **garlic**; cook, stirring frequently, until fragrant, 1–2 minutes. Add **rice**, **1¼ cups water** (2¼ cups for 4 servings), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

In a medium bowl, combine **carrot ribbons**, **cucumber ribbons**, **vinegar**, **1 tsp sugar** (2 tsp for 4 servings), a **pinch of chili flakes** from your pantry, **salt**, and **pepper**. In a small bowl, combine **2 TBSP mayonnaise** (4 TBSP for 4), a **squeeze of lime juice**, a **pinch of lime zest**, and as much **Sriracha** you like.

5.

Heat a large dry pan over medium-high heat. Add **peanuts**; cook, stirring frequently, until fragrant and just beginning to brown, 2–3 minutes. Turn off heat; transfer to a plate. Wipe out pan. Pat **marinated steak** very dry with paper towels. Heat a **drizzle of oil** in pan used for peanuts over medium-high heat. Add steak; cook to desired doneness, 4–5 minutes per side. (Don't worry if the steak edges begin to char—that's the marinade caramelizing!) Turn off heat; transfer steak to a cutting board. Once cool enough to handle, thinly slice against the grain.

6.

Once peanuts are cool enough to handle, roughly chop. Fluff **rice** with a fork; stir in **1 TBSP butter** (2 TBSP for 4 servings) and **half the scallion greens**. Divide rice between bowls and top with **steak** and **salad** in separate sections. Drizzle steak with **spicy lime mayo**; garnish everything with **peanuts** and remaining scallion greens. Serve with **remaining lime wedges** on the side.

*Beef is fully cooked when internal temperature reaches 145°.
