Want to optimize your time in the kitchen with minimal cleanup? In Step 3, line your baking sheet with aluminum foil before adding your bacon and green beans.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to middle and top positions and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Trim **green beans** if necessary. Peel and finely chop **garlic**.

2.

Place **potatoes** in a medium pot with enough **salted water** to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Drain and return potatoes to pot. Mash with **sour cream**, ¼ cup **milk**, and 1 TBSP **butter** until smooth and creamy (½ cup **milk** and 2 TBSP **butter** for 4 servings). Taste and season generously with **salt** and **pepper**.

3.

Place **bacon** on a baking sheet in a single layer. Roast on middle rack until crispy, 15–20 minutes. On a separate baking sheet, toss **green beans** with **almonds**, a **drizzle of oil**, **salt**, and **pepper**. Roast on top rack until browned and tender, 10–12 minutes. Once bacon is done, transfer to a paper-towel-lined plate. Once bacon is cool enough to handle, transfer to a cutting board and finely chop.

4.

While bacon and green beans roast, pat **chicken** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken; cook until browned and cooked through, 5–6 minutes per side. Transfer to a cutting board to rest.

5.

Heat a **drizzle of oil** in pan used for chicken over medium-high heat. Add **garlic**; cook, stirring occasionally, until fragrant, 1 minute. Stir in **maple syrup**, **stock concentrate**, **half the mustard**, and ¼ cup **water** (all the **mustard** and ½ cup **water** for 4 servings). Bring to a simmer; cook, stirring occasionally, until slightly reduced and thickened, 2–3 minutes more. Stir in **half the chopped bacon** and 1 TBSP **butter** (2 TBSP for 4). Taste and season with **salt** and **pepper**.

6.

Thinly slice **chicken** crosswise. Divide chicken, **green beans**, and **mashed potatoes** between plates. Spoon **maple bacon sauce** over chicken. Top mashed potatoes with remaining **chopped bacon**.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
