Be sure to scrape the bottom of the pot with a wooden spoon or spatula when making your broth in Step 4! Those brown bits (*fond*, in chef speak) left over from the chicken and veggies will give the soup a huge amount of flavor.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Drain **corn**.

2.

Pat **chicken** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a medium pot (**large pot for 4 servings**) over medium-high heat. Add chicken and cook until browned, 2–3 minutes per side (**it will finish cooking in Step 4**). Transfer to a plate.

Swap in **chicken cutlets** for chicken thighs.

3.

Return pot used for chicken to medium heat. Add another **drizzle of oil**, **scallion whites**, and **corn**. Cook, stirring frequently, until scallions have softened, 2–3 minutes.

4.

Add **5 cups water** (**10 cups for 4 servings**), **stock concentrates**, **soy sauce**, and **umami ginger sauce** to pot with **veggies**. Transfer **chicken** and any juices from plate to pot; bring to a simmer. Cook, stirring occasionally, until chicken is cooked through and very tender, 20–25 minutes (**the chicken should remain submerged throughout cooking—if broth reduces too much, add more water**).

5.

Once chicken is cooked through, transfer to a bowl or cutting board; shred using two forks (**leave soup cooking over medium heat**). Add **shredded chicken** and **noodles** to pot with **soup**. Cook, stirring occasionally, until noodles are tender, 5–7 minutes. Turn off heat. Taste and season with **salt**.

6.

Divide **soup** between bowls and top with **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.
