MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 450 degrees. **Wash and dry produce.** Trim and quarter **zucchini** lengthwise; slice crosswise into 1/4-inch-thick pieces. Trim and thinly slice **scallions**, separating whites from greens. Zest and quarter **lemon**.

2.

Toss **zucchini** on a baking sheet with **half the Tunisian Spice Blend (you'll use the rest later)**, a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 12-15 minutes.

3.

Meanwhile, melt **1 TBSP butter (2 TBSP for 4 servings)** in a small pot over medium-high heat. Add **scallion whites** and **couscous**; cook, stirring, until fragrant, 30 seconds. Stir in **garlic powder**, **two stock concentrates**, **3/4 cup water**, and a **pinch of salt (four stock concentrates and 1 1/2 cups water for 4)**. Bring to a boil, then cover and reduce heat to low. Cook until couscous is tender, 6-8 minutes. Drain any excess water if necessary. Keep covered off heat until ready to use in Step 6.

4.

Pat **chicken** dry with paper towels; season all over with **remaining Tunisian Spice Blend**, **salt**, and **pepper**. Heat a **drizzle of oil** in a medium pan over medium-high heat. Add chicken and cook until browned and cooked through, 5-6 minutes per side. Turn off heat. Transfer chicken to a cutting board; tent with foil to keep warm.

Swap in **salmon** or **steak** for chicken. Cook salmon (skin sides down) until skin is crisp, 5-7 minutes, then flip and cook until cooked through, 1-2 minutes more, or cook steak to desired doneness, 3-5 minutes per side.

5.

Heat pan used for chicken over medium-high heat. Add **remaining stock concentrate** and **1/4 cup water (1/3 cup for 4 servings)**; cook, whisking, until thickened, 2-3 minutes. Turn off heat. Whisk in **sour cream**, **1 TBSP butter (2 TBSP for 4)**, and a **squeeze of lemon juice** until melted and combined. Season with **salt** and **pepper** to taste.

6.

Add **zucchini** to pot with **couscous** and stir to combine. Stir in a **squeeze of lemon juice** and a **pinch of lemon zest**. Season with **salt** and **pepper**. Slice **chicken** crosswise. Divide couscous between bowls. Top with chicken and drizzle with **sauce**. Garnish with **scallion greens**. Serve with **remaining lemon wedges** on the side.

Swap **steak** against the grain (skip slicing salmon!).

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
*Fish is fully cooked when internal temperature reaches 145°.
