Ready for your 20-second lesson on flipping a fully loaded grilled cheese? First, use your largest nonstick pan (more surface area = more room to land). Once the first side is golden brown, slide the spatula underneath the sandwich while securing the top with your hand, then flip in one fell swoop. This'll keep all the goodness nestled inside where it belongs.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Slice **sweet potatoes** into ½-inch-thick wedges. Halve, peel, and thinly slice **onion**. Trim and thinly slice **cucumber** into rounds.

Adjust racks to top and middle positions and preheat oven to 425 degrees.

3.

While sweet potatoes roast, heat a **drizzle of oil** in a large pan over medium heat. Add **onion** and a **pinch of salt and pepper**. Cook, stirring occasionally, until softened and lightly browned, 8–10 minutes. Add ¼ cup water and ½ tsp sugar (⅓ cup water and 1 tsp sugar for 4 servings). Cook, stirring, until caramelized and jammy, 2–3 minutes more. Turn off heat; transfer to a small bowl. Wipe out pan.

5.

Arrange **sourdough slices** on a clean work surface and spread with **remaining smoky mustard**. Evenly layer half the sourdough slices with **Monterey Jack, cheddar, caramelized onion**, and as many **pickles** as you like. Close to form **sandwiches**. Melt **2 TBSP butter** in pan used for onion over medium heat. Add sandwiches and cook until bread is golden brown and cheese melts, 3–4 minutes per side. (For 4 servings, you may need to work in batches, adding more butter as needed.) Transfer to a cutting board.

Top half the sourdough slices with **bacon** along with **Monterey Jack, cheddar, caramelized onion**, and **pickles**.

2.

Toss **sweet potatoes** on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast on top rack until browned and tender, 18–20 minutes.

Arrange **bacon** in a single layer on a separate baking sheet; roast on middle rack until bacon is crispy, 15–20 minutes. Transfer bacon to a paper-towel-lined plate.

4.

While onion cooks, in a second small microwave-safe bowl, combine **cucumber, vinegar, 2 TBSP water, 1 tsp sugar**, and a **pinch of salt** (4 TBSP water and 2 tsp sugar for 4 servings). Microwave until cucumber is dark green (like pickles from a jar!), 1–2 minutes; set aside to cool. In a third small bowl, combine **one packet of smoky mustard** and **2 TBSP mayonnaise** (two packets of smoky mustard and 4 TBSP mayonnaise for 4).

6.

Halve **sandwiches** on a diagonal. Divide sandwiches, **sweet potato wedges**, and any **remaining pickles** between plates. Serve with **smoky mustard aioli** on the side for dipping.

*Pork is fully cooked when internal temperature reaches 145°.
