Give friends \$20 off their first box and you'll
get a \$20 credit when they cook with us.

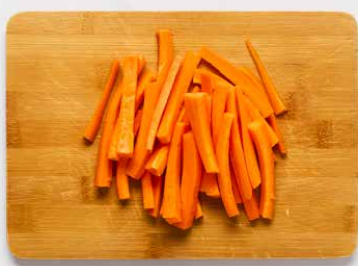

EveryPlate.com/referral

When coating your chicken (aka dipping into the beaten egg and flour), we highly recommend using one hand for dipping into the egg and the other for coating in the flour. This will prevent dreaded breaded fingertips (THE HORROR!) and make the whole process a lot less messy.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Finely chop **parsley**, including tender stems. Grate **Parmesan** over a small bowl ([skip this step if pre-shredded](#)). Trim, peel, and cut **carrots** into sticks ([like fries—ours were 3 inches long and 1/3 inch wide](#)). Trim and halve **celery** lengthwise into sticks.

2.

Place **3 TBSP butter** ([6 TBSP for 8 servings](#)) in a large microwave-safe bowl and microwave until melted, 30 seconds ([cover with a paper towel to prevent splatter!](#)); whisk in **hot sauce** until smooth. Place an additional **3 TBSP butter** ([6 TBSP for 8](#)) in a separate large microwave-safe bowl; microwave until melted, 30 seconds. Whisk in **parsley**, **half the garlic powder**, **half the Parmesan**, a **pinch of salt**, and **pepper**. Place **half the sweet soy glaze** ([all for 8](#)) in a third large bowl. Set aside until ready to use in Step 6.

3.

Add **1 1/2 cups flour** ([3 cups for 8 servings](#)) to a wide, shallow dish. Crack **two eggs** ([four eggs for 8](#)) in a separate shallow dish; beat with **1/4 cup water** ([1/2 cup for 8](#)). Pat **chicken** dry with paper towels; cut into 1-inch pieces and season all over with **salt** and **pepper**. Working a few pieces at a time, press chicken into **flour** until fully coated. Gently shake off excess, then dip into **egg mixture** to coat. Let excess egg drip off, then press into **flour** again until fully coated. ([For less mess, use tongs to dip and transfer!](#))

4.

Heat a **1/3-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken** in a single layer, spacing 1 inch apart ([you may need to work in batches](#)). Cook, turning occasionally, until golden brown and cooked through, 6–8 minutes. ([If chicken begins to brown too quickly, lower that heat!](#)) Transfer to a paper-towel-lined plate; season immediately with **salt**.

5.

While chicken cooks, in a small bowl, combine **remaining garlic powder**, **remaining Parmesan**, **1/4 cup mayonnaise** ([1/2 cup for 8 servings](#)), and a **big pinch of pepper**. Add **water** a splash at a time until mixture reaches a drizzling consistency. In a separate small bowl, combine **chili sauce** and **1/4 cup mayonnaise** ([1/2 cup for 8](#)). Add **water** a splash at a time until mixture reaches a drizzling consistency. Place **ranch dressing** in a third small bowl.

6.

Evenly divide **boneless wings** between bowls with **Buffalo sauce**, **Parmesan-garlic butter**, and **sweet soy glaze**; toss to coat. Divide wings between plates ([or arrange on a platter](#)) with **carrots** and **celery** on the side. Serve with **creamy garlic-parm sauce**, **creamy chili sauce**, and **ranch dressing** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
