MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Dice **tomato** into ¼-inch pieces. Zest and quarter **lemon**. Peel **garlic**; place cloves in the center of a small piece of foil. Drizzle with **olive oil** and season with **salt** and **pepper**; cinch into a packet. Place **bacon** on a baking sheet in a single layer; add **garlic foil packet** to same sheet. Roast on middle rack until bacon is crispy and garlic is softened, 15–20 minutes. (Watch **bacon** carefully to avoid burning!)

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (1 cup for 4 servings), then drain.

3.

Open package of **chicken** and drain off any excess liquid. Heat a **large drizzle of oil** in a large pan over medium-high heat. Add chicken and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Add **tomato** and **half the Italian Seasoning** (all for 4); season with **salt** and **pepper**. Cook until tomato is slightly softened and fragrant, 2–3 minutes.

4.

To same pan, add **cream sauce base**, **stock concentrate**, **¼ tsp sugar** and **½ tsp salt** (1 tsp for 4); whisk until combined. Bring to a simmer; cook, stirring, until sauce has thickened, 2–3 minutes more. Remove from heat; stir in a **squeeze of lemon juice** and a **pinch of lemon zest**. Whisk until sauce is combined.

5.

Once **garlic** and **bacon** are done roasting, carefully transfer to a cutting board. Using a fork, mash garlic into a paste. Once cool enough to handle, roughly chop bacon. Stir garlic and half the bacon into pan with **sauce**. Stir in **drained pasta**; toss, adding **splashes of reserved pasta cooking water** as needed, until pasta is coated in a creamy sauce. Season with **salt** and **pepper**.

6.

Divide **pasta** between bowls. Top with **remaining bacon**. Serve with **remaining lemon wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.
