MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Finely dice **tomato**. Halve, peel, and finely dice **onion**. Zest and quarter **lime**. Peel and finely chop **garlic**.

2.

In a small bowl, combine **tomato**, **2 TBSP onion** (4 TBSP for 4 servings), a **squeeze of lime juice**, and a **pinch of salt and pepper**. In a separate small bowl, combine **2 TBSP mayonnaise** (4 TBSP for 4) with another squeeze of lime juice and a **pinch of lime zest**. Add **water** a splash at a time until mixture reaches a drizzling consistency.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **beef** and **remaining onion**; cook, breaking up meat into pieces, until beef is browned and cooked through, 4–5 minutes. Add **garlic** and **Southwest Spice Blend** and cook, stirring, until fragrant, 1 minute more. Drain any excess fat from pan. Stir in **stock concentrate** and **2 TBSP water** (4 TBSP for 4 servings) until combined. Turn off heat; transfer to a plate. Wipe out pan.

↔ Swap in **pork** for beef.

4.

Evenly sprinkle bottom half of each **tortilla** with **cheese**, then top cheese with **beef mixture**; fold tortillas in half to create **tacodillas**. Melt **1 TBSP butter** (2 TBSP for 4 servings) in pan used for beef over medium heat. Working in batches, add tacodillas to pan and cook until tortillas are golden brown, 1–2 minutes per side. (For 4, you may need to work in batches, using more butter for each batch.)

5.

Divide **tacodillas** between plates. Drizzle with **lime mayo** and top with **pico de gallo**. Serve with **remaining lime wedges** on the side.
