Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 450 degrees. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Trim **green beans** if necessary; toss on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast on middle rack until browned and tender, 10–12 minutes.

↔ Open and drain **tofu**; press out excess water with paper towels. Halve crosswise, then stand tofu upright and halve vertically. Lay flat and cut into $\frac{3}{4}$ -inch cubes.

3.

Pat **chicken** dry with paper towels. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and **scallion whites** to pan and season with **salt and pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, 4–6 minutes.

↔ Swap in **tofu** for chicken. Heat a **large drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add **tofu** and cook, undisturbed, until lightly browned on bottom, 2–3 minutes.

2.

In a small pot, combine **rice**, **1 1/4 cups water** (**2 1/4 cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

4.

Add another **drizzle of oil** to pan. Add **garlic** and **curry powder**; cook, stirring, until fragrant, 30 seconds. Add **tomato paste** and stir until everything is evenly coated, about 1 minute. Stir in **cream sauce base** and **stock concentrate** until smooth, 1–2 minutes. Turn off heat; stir in **roasted green beans**, **1 TBSP butter**, and **1/4 tsp sugar** until butter is melted (**2 TBSP butter and 1/2 tsp sugar for 4 servings**). (Stir in a splash of water if curry is too thick.)

5.

Fluff **rice** with a fork and season with **salt and pepper**. Divide rice between bowls and top with **chicken curry**. Sprinkle everything with **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.
