In Step 4, you'll be making a panade, a mixture of a starch and a liquid—here, we're using bread and milk. (Psst—if you don't have any milk on hand, you can replace it with the same amount of water!) This easy trick helps keep your meatloaves moist and tender. *The more you know!*

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** on a diagonal into ½-inch-thick pieces. Peel and finely chop **garlic**. Trim **green beans** if necessary.

↔ Trim and halve **Brussels sprouts** lengthwise or cut **broccoli** into bite-size pieces.

2.

In a small bowl, combine **BBQ sauce**, **1 TBSP ketchup**, **½ TBSP brown sugar** (if you don't have brown sugar, swap in an equal amount of white sugar), and a **pinch of chipotle powder** (you'll use more later). (For 4 servings, use 2 TBSP ketchup and 1 TBSP brown sugar.)

3.

Toss **carrots** on one side of a baking sheet with a **drizzle of oil**, **honey**, **salt**, **pepper**, and as many **chili flakes** from your pantry as you like. Roast on top rack for 8 minutes (you'll add more to the sheet then).

↔ Swap in **Brussels sprouts** or **broccoli** for carrots. Roast on top rack for 5 minutes (you'll add more to the sheet then).

4.

While carrots roast, in a medium bowl, soak **bread** with **2 TBSP milk** (4 TBSP for 4 servings); break up with your hands until pasty. Add **beef**, **garlic**, **¼ tsp chipotle powder** (½ tsp for 4), **salt** (we used ½ tsp; 1 tsp for 4), and **pepper**; gently mix to combine. (Use less chipotle powder or leave out if you don't like things spicy.) Form **beef mixture** into two 1-inch-tall loaves (four loaves for 4).

5.

Once **carrots** have roasted 8 minutes, remove sheet from oven. Carefully add **meatloaves** to opposite side of baking sheet and brush with **chipotle BBQ glaze**. Return to top rack and roast until carrots are browned and tender and meatloaves are cooked through, 15–18 minutes more. Meanwhile, toss **green beans** on a second baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 12–15 minutes.

6.

Divide **meatloaves**, **carrots**, and **green beans** between plates. Garnish meatloaves with **crispy fried onions**. (Serve with more ketchup on the side if you like.)

*Ground Meat is fully cooked when internal temperature reaches 160°.
