**CHEF'S
TIP**

Once you add your sandwiches to the hot pan in Step 5, make sure to push them around so they absorb all the butter for better browning. Another pro tip: Don't be afraid to lower that heat! If your sandwiches are browning too quickly, the cheese inside may not melt evenly.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** into sticks (like fries; ours were 3 inches long and ½ inch thick). Toss on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on top rack until browned and tender, 15–20 minutes.

Trim **green beans** if necessary. Swap in green beans for carrots; roast until browned and tender, 12–15 minutes.

2.

In a small bowl, combine **2 TBSP mayonnaise** with **one packet of hot sauce** (4 TBSP mayonnaise and two packets of hot sauce for 4 servings).

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Open package of **chicken** and drain off any excess liquid. Add chicken to pan; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a large bowl. Wipe out pan.

4.

Stir **cream cheese**, **Monterey Jack**, and **remaining hot sauce** into bowl with **chicken** until evenly coated. Divide **Buffalo chicken** between **half the bread slices** and spread into an even layer; top with remaining bread slices.

5.

Melt **1 TBSP butter** in pan used for chicken over medium heat. Add **sandwiches** and cook until bread is golden brown and cheese melts, 3–4 minutes per side. (For 4 servings, you may need to work in batches, adding more butter between batches.) Transfer to a cutting board.

6.

Halve **melts** on a diagonal; divide melts and **carrot fries** between plates. Serve with **hot sauce mayo** on the side for dipping.

*Poultry is fully cooked when internal temperature reaches 165°.
