Kosher Salt
Black Pepper

Cooking Oil

Milk
Contains: Milk

Butter
Contains: Milk

Want to know our trick for the crispiest Brussels sprouts? Before popping 'em in the oven, arrange each one cut side down on the baking sheet. (The flat sides provide more surface area for browning and caramelization!) Pro tip: This also works like a charm for roasted potatoes.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Dice **sweet potatoes** into ½-inch pieces. Trim and halve **Brussels sprouts** lengthwise. Roughly chop **pecans**.

➡ Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Wipe out pan. Once cool enough to handle, roughly chop.

2.

Place **sweet potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 12–15 minutes. Drain and return sweet potatoes to pot. While sweet potatoes cook, toss **Brussels sprouts** on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast until browned and tender, 20–25 minutes.

3.

Meanwhile, pat **chicken** dry with paper towels and season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. Turn off heat; transfer chicken to a cutting board. Wipe out pan.

↔ Use pan used for bacon here.

4.

Mash **drained sweet potatoes** with ¼ cup milk and 1 TBSP **butter** until smooth and creamy (½ cup milk and 2 TBSP **butter for 4 servings**). Taste and season generously with **salt and pepper**.

5.

Melt 1 TBSP **butter** (2 TBSP for 4 servings) in pan used for chicken over medium heat. Add **pecans**; cook, stirring frequently, until fragrant and just beginning to brown, 1–2 minutes. Add ¼ cup **water** (⅓ cup for 4), **maple syrup, mustard, stock concentrate, and a pinch of pepper**; stir to combine. Cook, stirring frequently, until sauce has thickened slightly, 2–3 minutes.

6.

Thinly slice **chicken** crosswise. Divide chicken, **mashed sweet potatoes, and Brussels sprouts** between plates. Top chicken with **maple-pecan sauce**.

➡ Top chicken with **maple-pecan sauce** and sprinkle with **bacon**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.
