Ranch Steak *
(10 oz | 20 oz)
Calories: 700

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Cooking Oil

Chili Flakes

When we say add chili flakes from your pantry “to taste” in Step 3, we mean it! If you’re not a huge fan of spicy food, start with a little, then taste and determine if you want more of a kick. You’re the chef, after all!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Core, deseed, and dice **bell pepper** into ½-inch pieces.

2.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until al dente, 5–7 minutes. Reserve **½ cup noodle cooking water** (1 cup for 4 servings), then drain and set aside.

3.

While noodles cook, heat **sesame oil** and **1 TBSP oil** in a small pan over medium–high heat. Once oil is shimmering, stir in **scallion whites**, **garlic**, **sesame seeds**, **Korean chili flakes**, and as many **chili flakes** from your pantry as you like (we used ½ tsp; 1 tsp for 4 servings). Cook, stirring constantly, until fragrant, about 1 minute. Turn off heat; carefully transfer to a heatproof bowl.

4.

Pat **pork** dry with paper towels and very thinly slice crosswise. Heat a **drizzle of oil** in a large pan over medium–high heat. Add **bell pepper** and pork and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Add **sweet soy glaze** and **ponzu**. Cook, stirring frequently, until pork mixture is coated and sauce has thickened, 1–2 minutes.

Swap in **chicken** or **steak** for pork.

5.

Stir in **drained noodles**, adding **splashes of reserved noodle cooking water** as needed until everything is coated in a glossy sauce, 30–60 seconds.

6.

Divide **pork lo mein** between bowls. Top with as much **sesame chili oil** as you like. Sprinkle with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
