MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Peel and dice sweet potatoes into ½-inch pieces. Trim green beans if necessary. Halve, peel, and slice onion into ½-inch-thick wedges. Halve, core, and dice apple into ¼-inch pieces. In a small bowl, combine cranberries and 2 TBSP hot water (4 TBSP for 4 servings); stir and set aside. In a separate small bowl, combine maple syrup and mustard. Taste and season with salt and pepper.

2.

Place sweet potatoes in a medium pot with enough salted water to cover by 2 inches. Bring to a boil and cook until tender, 12–15 minutes. Drain and return sweet potatoes to pot. (You'll finish the sweet potatoes in Step 5.)

3.

While sweet potatoes cook, toss onion on one side of a baking sheet with a drizzle of olive oil, salt, and pepper (for 4 servings, spread onion out across entire sheet). Roast on middle rack for 7 minutes. Once onion has roasted 7 minutes, remove from oven. Carefully toss green beans on empty side of sheet with a drizzle of olive oil, salt, and pepper. (For 4, leave onions roasting; toss green beans on a separate sheet and roast on top rack.) Roast until onion and green beans are browned and tender, 10–12 minutes more. Remove from oven; toss to combine.

4.

Meanwhile, heat a small dry pan over medium–high heat. Add almonds and cook, stirring frequently, until golden brown and fragrant, 3–5 minutes. Transfer to a plate.

Rinse shrimp under cold water and pat dry with paper towels or open package of chicken and drain off any excess liquid. Heat a drizzle of oil in a large pan over medium–high heat. Add shrimp or chicken and cook, stirring occasionally, until cooked through, 3–4 minutes for shrimp, or 4–6 minutes for chicken. Transfer to a plate.

5.

To pot with sweet potatoes, add ¼ cup milk and 1 TBSP butter (½ cup milk and 2 TBSP butter for 4 servings). Mash until smooth and creamy. Taste and season generously with salt and pepper.

6.

Divide mashed sweet potatoes between bowls. Top with green bean-onion jumble, apple, cranberries (draining first), and almonds. Drizzle everything with maple–Dijon sauce.

Top bowls with shrimp or chicken.
