When we say add Sriracha “to taste” in step 2, we mean it! If you’re not a huge fan of spicy food, start with a little, then taste and determine if you want more of a kick. You’re the chef, after all!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

Meanwhile, quarter **lime**. Trim and halve **zucchini** lengthwise; slice crosswise into ¼-inch-thick half-moons. Peel and finely chop **ginger** and **garlic**. Trim and peel **carrots**; using a peeler, shave each carrot lengthwise into ribbons, rotating as you go, until you get to the core. Discard core. In a small bowl, combine **half the soy glaze** (**you’ll use the rest later**), a **big squeeze of lime juice**, and **Sriracha** to taste. Set aside.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **zucchini** and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and tender, 5–7 minutes. Add another **drizzle of oil**, **half the ginger**, and **half the garlic**; cook until fragrant, 30 seconds. Add **carrot ribbons** and season with **salt** and **pepper**. Cook, stirring, until slightly softened, 3–4 minutes. Transfer to a plate and set aside.

4.

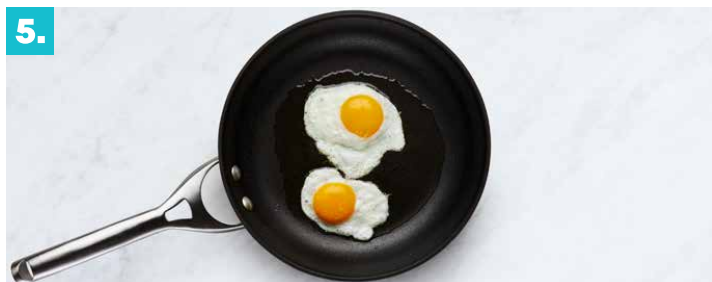

Pat **chicken** dry with paper towels. Heat a **drizzle of oil** in same pan over medium-high heat. Add chicken in a single layer; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Add **remaining ginger** and **remaining garlic**; cook, stirring, until fragrant, 30 seconds. Add **remaining soy glaze** and toss to coat.

Rinse **shrimp** under cold water and pat dry with paper towels. Swap in shrimp for chicken; cook, turning occasionally, until opaque and cooked through, 3–4 minutes.

5.

While chicken cooks, heat a **drizzle of oil** in a medium pan over medium heat. Once hot, crack **eggs** into pan and cover. (**For 4 servings, you may want to cook eggs in batches.**) Fry eggs to preference; season with **salt**.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** (**2 TBSP for 4 servings**) and season with **salt**. Divide rice between bowls. Top with **chicken**, **veggies**, and **fried eggs** in separate sections. Drizzle with **sauce** and serve with **remaining lime wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

*Shellfish is fully cooked when internal temperature reaches 145°.
